

## STILL GRINDING ITS CRIST.

(Continued from page 1.)

died exceptions to the report. In the meantime the plaintiffs brought a suit in ejectment against each of said defendants, and these suits, as well as the condemnation proceedings, will claim the court's attention at this (October) term. In the case of Serepta Graham the cause was dismissed at the cost of the defendant.

The suit of David M. Dovel against Carl Nauman was one for damages in the sum of \$12,000 (\$6,000 actual damages and \$6,000 punitive damages), charging that the defendant slandered plaintiff by uttering in the presence and hearing of other persons, many defamatory and slanderous words, which words we will not quote, of course. It is only once in a while that suits like this one get into our courts, and while we know absolutely nothing as to the facts of this particular case, will say that such suits ought to be a warning to others who are pretty free with their tongues, in saying things about others, that they might be called upon to prove. This case brought by far the largest number of witnesses of any case during the present term and elicited much interest. They came principally from Benton, Liberty and Union townships. It was a case that was hotly contested by the attorneys on both sides. The case occupied the attention of the court the greater part of Friday and Saturday of last week. The jury was composed of the following: S. M. Russell, Frank Castle, E. E. Weary, J. P. Lacey, William Patterson, all of Lewis township; Geo. Gaskill, Jr., and Henry Rebel, of Union township; E. L. Wilson, of Lincoln; T. J. Bridgman, of Bigelow; John Long, Clay; W. S. Bond, Clay; J. D. Walker, Forest. The jury returned a verdict Monday morning about 11 o'clock, for the plaintiff, for \$500 actual and \$250 punitive damages.

State vs. Lee Barker, gambling. Plead guilty and fined \$1.00 and costs.

State vs. W. L. McQueen, operating automobile without full rights. Plead guilty and fined \$25 and costs.

State vs. Roy Hardin, hunting on Sunday. Plead guilty and fined \$1.00 and costs.

Wm. C. Andes and Geo. W. Glick vs. O. D. Bateman, suit on note. Plaintiff takes non suit.

Charles C. Lawrence vs. Isaac Martin and Mary Martin, et al., quiet title. Decree for plaintiff as prayed for.

William C. Andes, vs. Frances Norman, John C. Norman, et al., quiet title. Decree for plaintiff as prayed for.

Leona Frances McIntyre, by G. W. Cummins, Curator vs. David A. Templeton, et al., quiet title. Decree for plaintiff.

George Gore vs. Unknown heirs, Richards Adams, et al., quiet title. Decree for plaintiff.

John T. Thompson vs. Marit P. Flaten, Marit O. Quake, et al., partition. Sheriff of Douglas county, Mo., files report of the sale of land in Douglas county, which is approved by the court. The order made for the sale of the Holt county land was set aside, and plaintiff files amended petition.

The suit of Emma Stephenson vs. Jesse Cordrey was one for damages. Plaintiff and defendant, both live in Forbes township, and travel the same road to and from Oregon. Both are owners of automobiles, and some time last summer they met on the hill, just southeast of John Mark's home and their autos collided. Considerable damage was done to each of the machines, but Mrs. Stephenson's auto, it is said, received the most damage. It is alleged also that she, herself, was hurt by the collision.

She asked for \$2,000 damages, and Mr. Cordrey, who understood, asked for a judgment for some damages against her, also. This case was called Monday morning, with a large number of witnesses present. The cause was heard by a jury, consisting of: V. C. Karns, John Mann, Alfred Mortenson, S. N. Ferguson, F. L. Stout, Ed Evans, Ora Boswell, A. A. Wright, Wm. Kollmer, L. N. Schulte, G. H. Minton and I. D. Painter. The case was given to the jury about 11 o'clock Tuesday morning, and they not being able to return a verdict they were dismissed and the case will again be tried at the next term.

Henry Haber, Fritz Voltmer and August and Wilhelm Heine each brought a claim against the Big Tarkio Drainage District. These suits were dismissed at the cost of the plaintiffs.

R. B. Bridgeman and R. R. Bridgeman, Trustee, vs. Robert Smith, Sr., W. F. Pragg and C. E. Munn. Equity. Settled and dismissed.

Caroline VanVickie vs. Norton Randall, Rachael Gleason, et al. Partition. Continued.

William Gossett vs. Julia Torrey, Ollie Walker, et al. To reform, contract and specific performance. Defendants file motion to dismiss the suit, which is sustained by the court, and the costs are taxed against the plaintiff.

John H. Roads vs. Mary A. Roads, R. L. Minton and Eleanor G. Minton. To set aside deed. Dismissed by plaintiff.

The case of William M. Morris and Frank Petree against Elmer F. Kearney was a suit asking for partition of certain property in New Point. The petition says that Dr. Kearney is entitled to one-half of same and that plaintiffs are each entitled to one-fourth of same. This is the property formerly occupied by Dr. Kearney, at New Point, a one-half interest in which he sold some years ago, to Dr. Carson. Dr. Carson's half was sold at trustee's sale, and bought in by Messrs. Petree and Morris. Hence the partition suit to have same all sold together and the proceeds divided amongst the owners, in proportion to their rights therein. Property ordered sold by the court and cause continued.

Grace M. Trapp, et al., vs. Lulu M. Shull, et al. Partition. Decree as prayed for. Elijah Rowlett, John C. Patterson and M. W. Brumbaugh were appointed as commissioners to make the partition of the property.

The suit of Washington E. Dearmont, Jonas B. Dearmont, et al., vs. Lucy A. Dearmont, et al., was a suit in partition amongst the children and heirs of Mary E. Dearmont and Peter Dearmont, who

were husband and wife. The lands sought to be partitioned comprise about 220 acres lying northwards of Mound City a few miles, and are, it is said, quite valuable. Decree as prayed for.

The case of Julia Uphouse versus Chester Uphouse, was an action for the partition of a house and lot in Forbes. Plaintiff and defendant formerly were husband and wife and owned a home in the town of Forbes, where they lived, and where the defendant worked at the blacksmith trade. Later they were divorced, and, as both have removed from Holt county, plaintiff asks that their former home be sold and the proceeds divided between them, in equal parts. The property was ordered sold as prayed for.

Grace Wilson vs. John R. Wilson. Maintenance. Plaintiff dismisses suit.

The state vs. William Sipes, charged with assault, the defendant plead guilty, and was given a fine of \$100. The plaintiff and George Taylor got mixed up in a melee at Forbes, on August 16, and in the quarrel, Sipes was charged with stabbing Taylor in the arm and shoulder, using a pocketknife.

Martha M. Hilgert vs. Frank M. Hilgert. Divorce. Decree as prayed for, and care and custody of minor child awarded to grandfather, J. P. Brady.

Mayme Ramsey vs. George W. Ramsey. Divorce. Decree as prayed for. Harlan H. Brown vs. Maud E. Brown. Divorce. Decree as prayed for.

W. R. Groves vs. Great Eastern Casualty Co. Contract. Continued.

Consolidated District, No. 2. Holt county, Mo., G. A. Conaway, et al., vs. R. C. Hartsell. Ejectment. Judgment for plaintiffs.

The suit of George W. Taylor vs. William Sipes was one for \$10,000 damages (\$5,000 alleged to be actual damages and \$5,000 punitive damages). The plaintiff alleges that at the defendant, on or about August 10, 1915, wantonly, wickedly and maliciously, and without just cause or reason, assaulted plaintiff and struck him several times with an open knife, whereby plaintiff was severely and dangerously cut and wounded, in and about his left arm and back. Plaintiff and defendant both live in Forbes township. The case was given to a jury, which returned a verdict giving the plaintiff \$750 damages.
